

FRANKLIN LOSES FAST GAME TO EARLHAM TEAM

Best Playing of Season is Done
by Quakers—Score at End
29 to 22.

Earlham basketballers returning to form once more defeated the fast and supposedly invincible Franklin quintette on the Franklin floor Saturday night, 29 to 22.

It was the best game of the season for Earlham and every man was keyed up to a high pitch, working for victory every minute of the game. With the team going on high the Baptists were simply outclassed and had no chance.

Hall played with all his ability Saturday night and his goal shooting and floor work surpassed all expectations. Pitts played the first game as a regular guard on the Earlham team, and fitted into Meek's position well and broke up many Franklin plays, and also broke into the scoring.

Johnson, as usual, played a steady game and there were a very few short shots made by Franklin because as soon as the ball came into Johnson's territory it was lost.

Roth and Campbell were the bright lights for Franklin, with four and three field goals respectively. The Baptists fought the Quakers every minute of the game but could not stop the Earlham forwards from breaking through the defense time and time again for goals.

The Quakers started the scoring but Franklin was not slow in getting points and the score seasawed back and forth the entire first half. Both teams started off the second half but Earlham took the largest lead and never lost it.

The following men participated in the contest: Earlham—Lawler, Hall, Carey, Pitts, Johnson; Franklin—Roth, Kingsolver, Pike, Campbell and Muller. Field baskets—Lawler, 3; Hall, 5; Carey, 3; Pitts, 3; Roth, 4; Campbell, 3; and Kingsolver, 2.

HAGERSTOWN TEAM DEFEATS FOUNTAIN CITY QUINTETTE

The Hagerstown Independent Basketball team won from the Fountain City quintet at Hagerstown Saturday night, Feb. 8, by a score of 34 to 18. Both teams played rough and the condition of the floor made team work almost impossible. The score at the end of the first half was 12 to 8 in favor of Hagerstown but the locals began to connect with the basket in the second half and ran the score up on their opponents.

Hagerstown Forward: Mercer
Holiday Forward: Bourlier
Werking Center: Huff
Bookout Guard: Lacey
Witcherman Guard: Henderson
Bryson Forward: Hartley
Field Goals—Holiday 5, Werking 4, Bookout 2, Witcherman 2, Bryson 1, Mercer 2, Bourlier 2, Hartley 1.
Foul Goals—Holiday 3, missed 2, Werking 1, missed 1, Huff 8, missed 3.
Referee—Smith.
Scorer—Faust.
Timekeeper—Stout.

Association Will Help Players Hurt in War

(By Associated Press)
MILWAUKEE, Feb. 10.—Club owners of the American Association plan to take care of their teams injured in the war, according to A. F. Times, president of the Milwaukee club.

TRAINS AT HOME.
COLUMBUS, O., Feb. 10.—There will be no spring training trip for the Columbus club of the American Association. President Joe Tinker has tentatively planned to have the players report here March 25. The University of Michigan team will spend the first week of April in Columbus to train with the Senators. Tinker has arranged exhibition games with the Boston Nationals for Neil park, April 12 and 13.

Cleveland Abandons Barnstorming Trips

CLEVELAND, O., Feb. 10.—Barnstorming will be eliminated from the spring training trip of the Cleveland American league club this season. Manager Lee Fohn believes that better results can be obtained if the entire squad remains in camp instead of making side trips to play exhibition games.

STANAGE SIGNS CONTRACT.
DETROIT, Mich., Feb. 10.—Oscar Stanage, veteran catcher with the Detroit Americans, is in line for the 1919 season, having affixed his signature to a contract. Stanage will embark upon his eleventh season with the Tigers. He became a member of the club in 1908 when purchased from the Newark club of the old Eastern league.

Cargo Steamers Turned Into Training Ships

WASHINGTON, Feb. 10.—To maintain facilities for training merchant seamen, the shipping board has decided to turn six of the wooden cargo steamers built during the war into training ships. Over 38,000 young men have signed applications to take the courses which the board is now giving and it is planned to add deep sea cruises to the curriculum.

When the new vessels are made ready, the board will release from requisition eight of the ten coastwise vessels which were turned into training ships during the war. The City of Berlin, receiving ship at Boston, and Iris, at San Francisco, will be released.

UMPIRES HAD IT SOFT—THESE PLAYERS COULDN'T BITE 'EM

Group of big league players and one of umpires who participated in first "masked" ball game. Below: Carl Sawyer, with masked mascot's mascot dog.

What is believed to be the first masked ball game ever staged was played recently at Pasadena when the Pasadena and Standard Murphy clubs clashed. Every player, both umpires and even the mascot wore flu masks. The game went eleven innings. Many of the fans who roared hollered through their linen masks, too. The upper photo shows many of the major league celebrities who played. From left to right the players are: Trash Hannah, N. Y. Americans, catcher; Doc Crandall, Boston Nationals, pitcher; Chic Gandil, White Sox, first base; Art Griggs, Detroit Americans, second; Fred McMullen, White Sox, third; Ole Olson, Brooklyn Nationals, left field; Carl Sawyer, New York Americans, shortstop and center field; George Cutshaw, Pirates, second base and right field; Bill Piercy, New York Americans, pitcher, and "Buster" Crandall, mascot. The lower picture shows Carl Sawyer with Buster Crandall's dog.

No Hitch in Willard-Dempsey Fight, According to Tex Rickard

By JACK KEENE
According to the latest dope from Tex Rickard, et al, there isn't any hitch so far to the proposal to stage a championship battle between Champion Jess Willard and Jack Dempsey some time in June.

Whether or not the fight really does come off is a question. But Tex Rickard, Jess Willard, Jack Dempsey and the other parties to the deal owe the fans of this country a square deal before the mill starts as well as after the two men have shook hands.

Under the terms given out Willard has accepted an offer of \$100,000 to enter the ring. Rickard stated that he would deposit \$10,000 of that coin in Chicago at the time the offer was accepted.

He agreed to post \$15,000 more sixty days before the fight and the remaining \$75,000 the day before the battle.

Willard agreed to post a \$10,000 guarantee immediately that he would live up to his word. Now the fair thing for Rickard and Willard to do is to show that the first deposits were actually made with reputable people. Then Rickard must give the same publicity to the posting of his other two amounts.

These men owe it to the public to show that the preliminary arrangements are bonafide and not mere talk. Dempsey has agreed to accept \$27,500 for his share. We believe the public ought to know it when he signs up and what the exact terms are.

Having fulfilled these obligations the promoters and fighters ought to lay their other cards up before the public when the least hitch occurs. They should lay off the mudslinging.

Without the fullest publicity, should any hitch arise, the negotiations for the fight will end in a cloud.

Personally, I'm more interested in seeing the affair pulled off fairly and on a high plane than I am in seeing the question of supremacy settled in a bout that makes of "secret treaties" and back-room chicanery.

Baseball fans have heard so much about the expertness of Christy Mathewson in checkers they have been led to believe that Big Six is without a rival in the ranks of organized baseball.

Such is not the case, however, for Joseph J. Lannin, erstwhile owner of the Boston Red Sox and leading spirit in the International league, when he is in practice can give Christy the game of his life at the checkerboard.

Long before Lannin became identified with baseball he was a checker fan. Not only did he indulge in the game for his own amusement and pastime, but he backed with his bankroll some of the leading checker players in the United States.

Long before Lannin ever thought of becoming the owner of a world's champion baseball team his thoughts were on checkers. He was only eighteen years old when his interest turned to the game up in Massachusetts. He soon perfected his play to such a degree that he vanquished all the so-called country store champions in the locality. Then he set about to conquer the champs of the towns in the immediate vicinity. As a member of

field; George Cutshaw, Pirates, second base and right field; Bill Piercy, New York Americans, pitcher, and "Buster" Crandall, mascot. The lower picture shows Carl Sawyer with Buster Crandall's dog.

FOUNTAIN CITY TEAM DEFEATS NEW LISBON

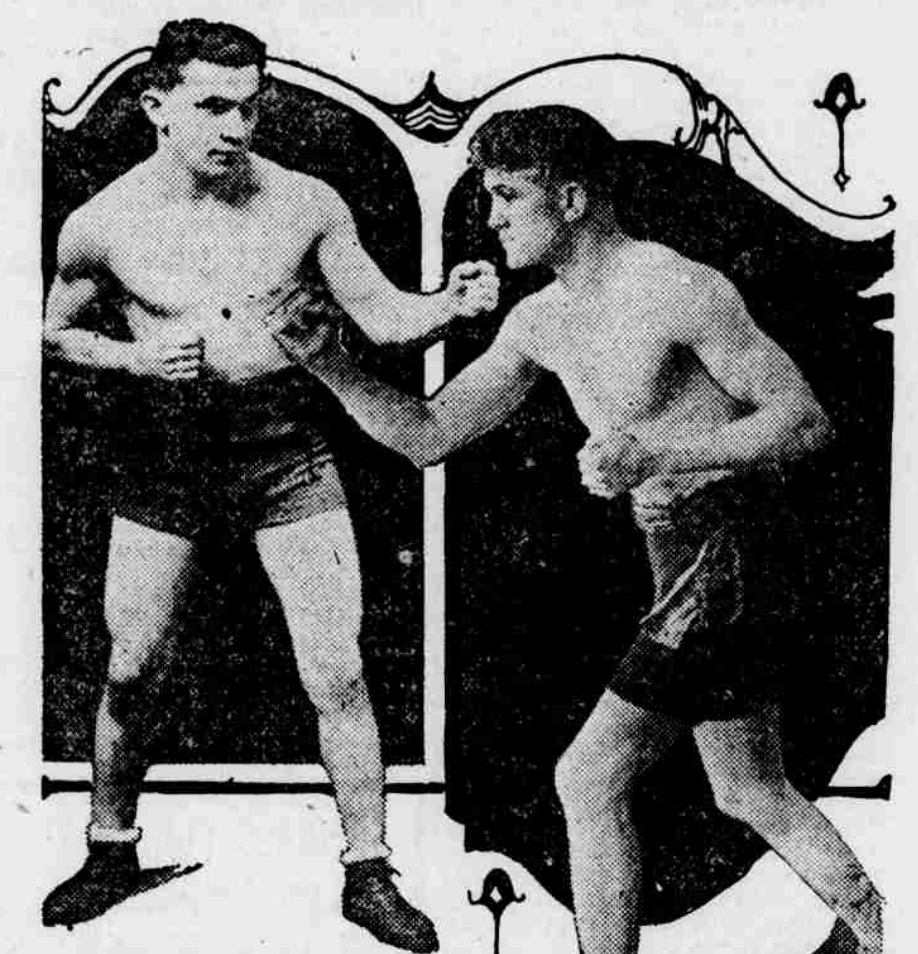

FOUNTAIN CITY, Feb. 10.—Fountain City high school won from the New Lisbon basketball team here Saturday night, 50-12.

Fountain City had the New Lisbon boys outclassed in every department of the game and from start to finish there was no doubt about the winner of the game. The game was fast but clean all the way through.

The first half ended 20 to 6, with New Lisbon at the wrong end. Thomas was the bright light for the locals, with twelve field goals and five free shots to his credit. Nation was the main point getter for the New Lisbon team making five field goals.

The lineups follow:
New Lisbon Fountain City
Nation Forward Thomas
Luellen Forward Reynolds
McCord Center Hampton
B. Gaul Guard Huss
P. Gaul Guard Hatfield

LIKELY ASPIRANT TO KILBANE'S CROWN IS A STABLEMATE OF FEATHER CHAMPION

Jack Wolfe, at left, and Johnny Kilbane.

Jack Wolfe looms up as one of the leading aspirants to Johnny Kilbane's title as featherweight champion. Wolfe not only lives in Cleveland, Johnny's home town, but is managed by Jimmy Dunn, Johnny's manager, and trains in the same gymnasium Johnny uses. Wolfe's stock was boosted the other night when he outpointed de-

cisively Artie Root, another Cleveland prominent in the featherweight circles. Root was handicapped somewhat by the fact that he had trained down too light for the bout.

DAVENPORT ANXIOUS FOR CENTRAL BERTH

More cities are falling in line in the middle western baseball revival. One of the latest to come through with definite plans is Davenport, Ia., where a mass meeting of fans will be held tomorrow night to determine the fate of the national pastime in that city.

Davenport's action will have a powerful effect in Moline, Ill., where the fans say if Davenport lands a Central league franchise, Moline is in line for a berth in the circuit.

Joe Tinker has not yet decided on the Dayton situation. He is awaiting developments there and his action will be determined by the conditions he finds on his visit to that city this week.

Tinker is worrying whether fans will travel to Westfield field to see the game. This park is the only available one in Dayton. The Dayton Gymnastic club, which holds a lease on it, has promised the ground to Tinker at reasonable terms.

Depends on Patronage.
If the fans assure Tinker of patronage, the presence of a Central league team is assured. Otherwise, he will pass up the proposition. Joe is part owner of the Peoria club, which, with his aid, has been made one of the best paying small league franchises in organized baseball.

Five former Central leaguers are figured on in Roger Bresnahan's plan to give Toledo an American association team. Paul Carpenter, who led the Grand Rapids pitchers in 1917, and Bowman, who got a chance with the Cleveland Indians, after leaving Grand Rapids, are to be with Toledo in 1919.

Other ex-Central leaguers under reserve at Toledo are First Baseman George Beall, Pitcher Red McCall and Shortstop Bunney Fabrique. The first two went from South Bend to Toledo, and Fabrique was in the International after leaving Fort Wayne.

The Fort Wayne proposition will be solved on Tuesday when Jack Ryan will hold a conference with George Beimer, prominent sportsman of that city.

Belmer in the estimation of Louis Heilbroner, dean of all minor league baseball fans in the middlewest, is one of Fort Wayne's best sportsmen and is interested in baseball.

Verlie Patchen Wants To Race Single G

Fred Kline's challenge to the owners of Single G, 1:59 1/4; Miss Harris M., 1:58 1/4 and Directum J., 2:01 1/4, for a stake race with Verlie Patchen, 2:01 1/4, owned by Kline, is attracting wide attention in the harness world. Kline's proposition is for each of the four owners to put up \$2,500, which, with \$5,000 added by a race association would aggregate \$15,000, winner take all.

In form, as such is judged on the harness tracks, either Single G. or Miss Harris M. would be considered the best bet in such a match. A winner would probably find the first named favorite, with Miss Harris at nearly as well thought of, Directum J. next, and Verlie Patchen last.

Of the three pacers at which the defi was aimed, Single G. is owned by W. B. Barefoot, of Cambridge City, Ind., and in the stable of Allen Bros., at Indianapolis; Miss Harris M. is the property of Paul Kuhn, Terre Haute, Ind., and is in charge of Will Fleming, at Terre Haute; Directum J. is owned by a patron of Thomas W. Murphy, and is in charge of that famous driver at Poughkeepsie, N. Y.

MOTHERS, DO THIS—

When the Children Cough, Rub
Musterole on Throats
and Chests

No telling how soon the symptoms may develop into croup, or worse. And then when you're glad you have a jar of Musterole at hand to give prompt, sure relief. It does not blister.

As first aid and a certain remedy, Musterole is excellent. Thousands of mothers know it. You should keep a jar in the house, ready for instant use.

It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frost-bitten feet and colds of the chest (it often prevents pneumonia).
30c and 60c jars; hospital size \$2.50.
